RINGMASTER EDITION

ART

The Classic art package and trim illuminated with modern RGB lighting.

Reimagined art package including new playfield art, **Crystaluxe Premium Cabinet Decals**, new "Ringmaster" backbox art, new plastics and decals, inner art blades, individually numbered magnetic apron, and Crystaluxe magnetic coin door art. Art by Brian Allen.

TOPPER

The Ringmaster Edition includes interactive topper & scrolls designed by The Electric Playground, featuring illuminated rising acrobats with each hi-wire ball lock, a spinning hat swirl with each cannon fire, and mode-activated animated RGB lighting within the two scrolls.

Classic Edition owners can add the Topper (+$1,099) and/or Scrolls (+$649) to match the Ringmaster Edition.

LIGHTING

Updated RGB lighting throughout the new clear-faceted inserts and a reimagined interactive RGB Neon Tube, as well as LED flashing illuminated backbox.

The same updated lighting as the Classic Edition, plus **Wonder Rails of Light External Armor Lighting** featuring laser-cut lettering, as well as RGB speaker lighting and upper playfield RGB neon accent light.

HARDWARE & TRIM

Upgraded HD LCD display that is 15% larger, modern speakers and subwoofer, new ringing "bell" mechanism in the backbox, and a physical knocker.

All of the enhancements of the Classic Edition, plus sculpted slings, outlanes, **ARTlock**, and shooter rod, all created by The Art of Pinball. Complete powder-coated package including: armor, hinges, coin door, apron, shooter plate, ringing bell, and wireforms. Shaker motor and **Magic Glass** included.

UPDATED DISPLAY, RULES & CODE

Play the original rules or the new enhanced rules, featuring fully reimagined colored 3D animations with all of the classic scenes. Fully enhanced audio package including remastered audio, new music, and callouts.

With the new enhanced rules, play a modern twist on the original game, including a new playfield multiplier, advanced skill-shot system, deeper experiences in various multiballs, including 2 extra balls for a 6-ball multiball option. The code also features a new "Menagerie Mania" mode with more to come in future updates.

TECH & SUPPORT

Built on American Pinball's modern architecture + numerous hardware upgrades, including new **QuickFlip** flipper technology, built-in Wi-Fi software updates, and **PinAccess** integration. Also includes a full manufacturer's warranty, with a 2-year option for extended warranty coverage.
